

**ADDENDUM TO CONTRACT:
SELLER'S AUTHORIZATION
FOR HYDROSTATIC TESTING**

Seller(s): _____

Buyer(s): _____

Property: _____

In connection with the Contract between the parties, Seller(s) do hereby authorize and grant the Buyer(s) the right to have under-slab hydrostatic pressure testing performed and conducted on all relevant systems of the Property during the Option Period, so long as such testing is performed and conducted by a qualified, licensed, insured and certified plumbing expert. Buyer(s) agrees to give Seller(s) at least 24 hours' notice, prior to any such testing.

For purposes of this authorization only, under-slab hydrostatic pressure testing includes, but is not limited to, testing the Property's plumbing and sanitary sewer systems for leaks. If leaks are detected, this authorization may include additional procedures of the video sewer inspection and/or diagrams of the leak isolation testing of the drainage system.

Buyer(s), solely, will be responsible for the cost of the hydrostatic pressure testing.
